Thank you for deciding to have a session with me. In preparation, I ask you to answer a few questions about your family system. Just answer the questions as best you can, if you can't get all information we'll work it out in the session. You can send me the questionnaire in advance, or bring it with you to the session.

Note : I would like to point out that a coaching session with me does not replace any medical or therapeutic treatment. A participation happens in absolute personal responsibility. Your data will not be disclosed to third parties and remain absolutely confidential.

Thanks a lot
